

# Installation

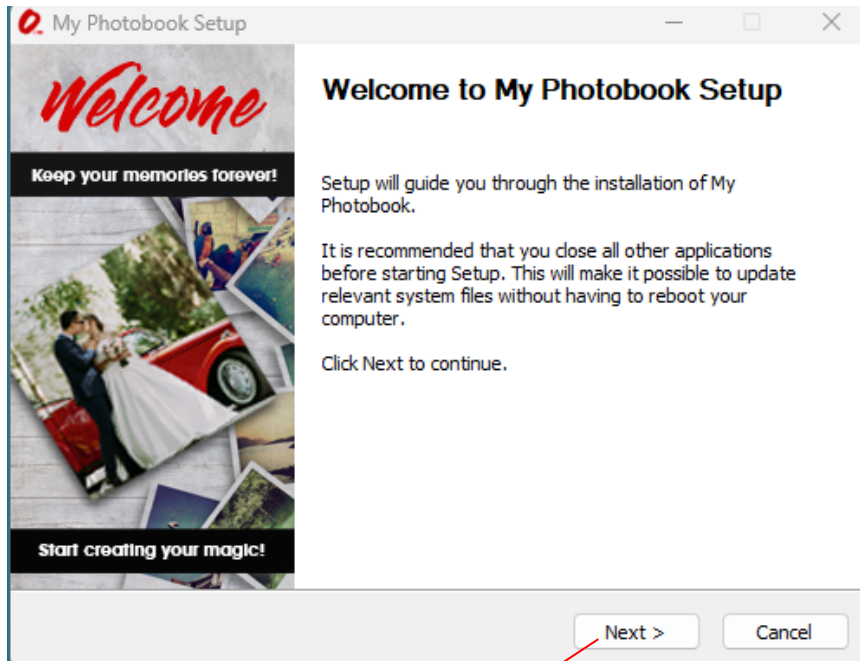

Desktop / Mac & PC software

Select Mac (dmg) or PC (exe) installer and copy to your Desktop

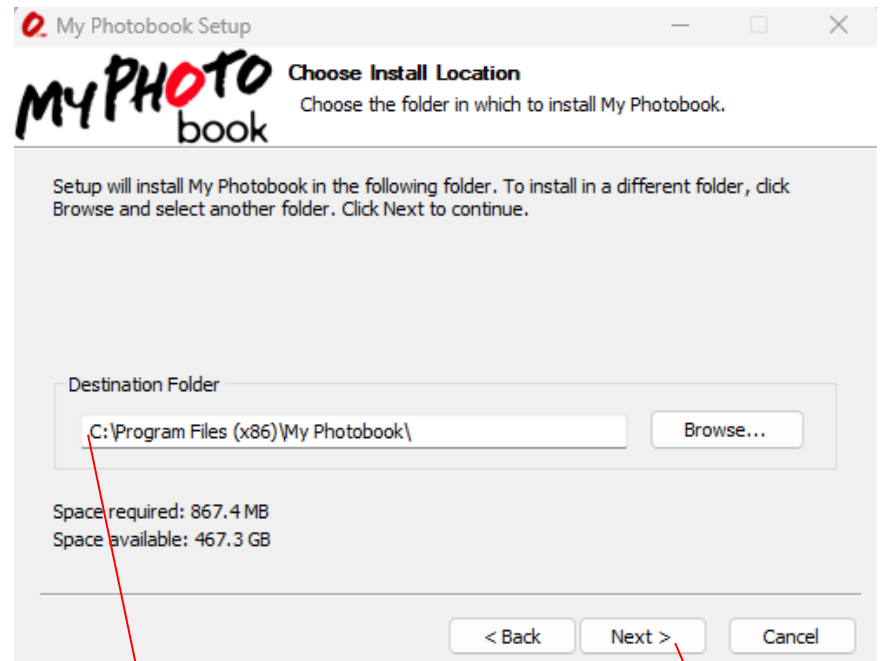

PC – exe file

Open (Run) file on desktop

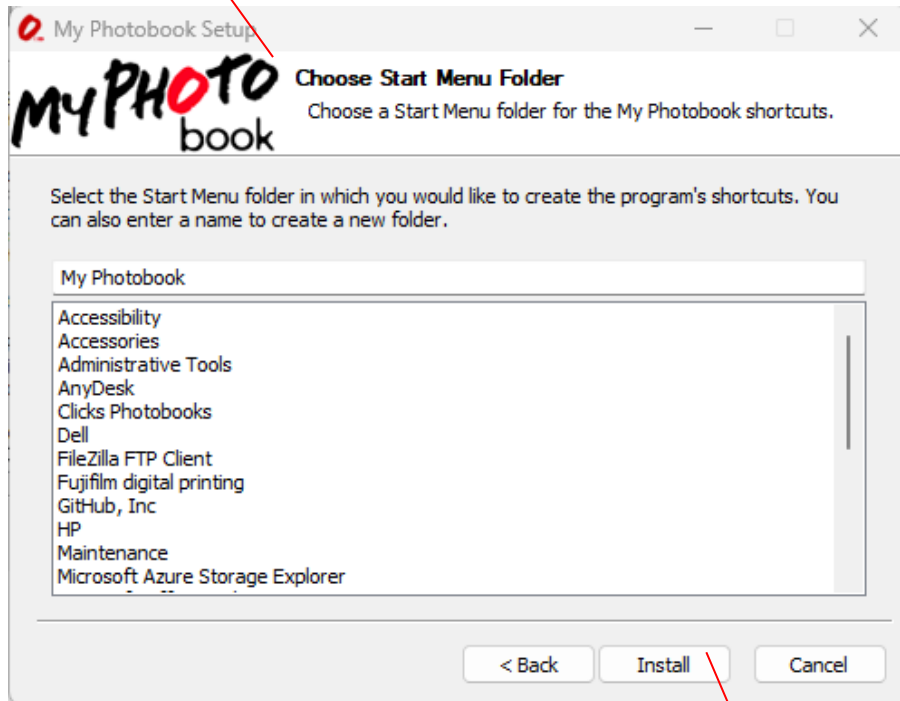

Click on next

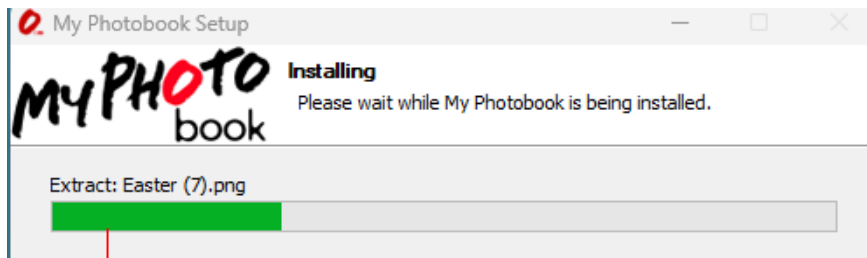

Software will be installed under your C drive  
Or you can select your own folder

Click on next

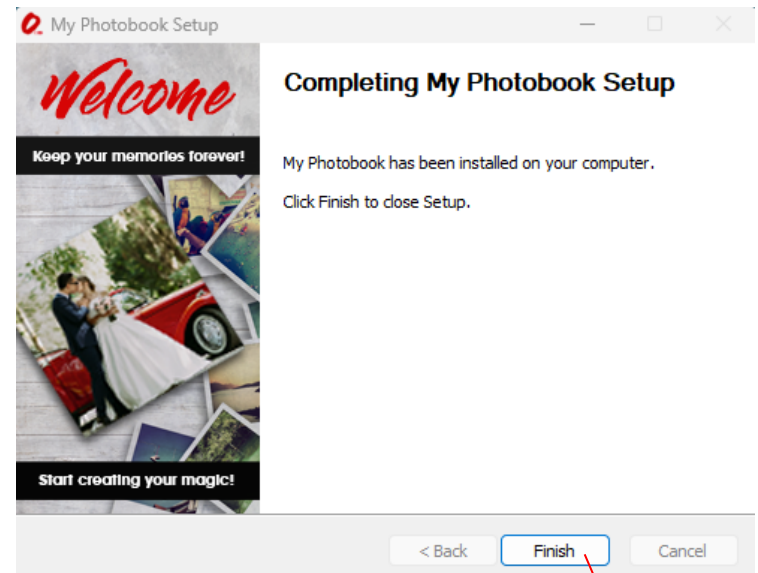

The software is now installed on your computer

Click on Install

Software will start initialising wait until done

Click on Finish

Software Icon will appear on your desktop

Mac- dmg file

Open file on desktop

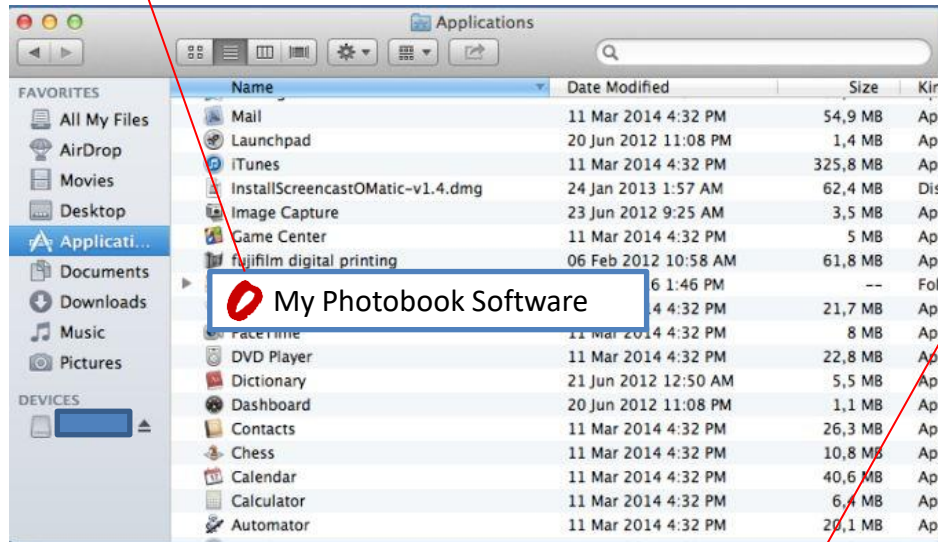

### TO INSTALL:

1. drag the folder onto the Applications shortcut.
2. Open your Applications folder and open the software from there.

Drag and drop Photobook Software to Applications folder

Double click op Applications folder to open

Open the Photobook Software in the Applications folder

Drag and drop the Photobook Software app to your menu bar for quick access

# Flow inside Software

The Wizard is designed to build a project for your customers in a few clicks

Open the software and wait until the fonts have been captured.

Terms and Conditions

Please read these terms & conditions carefully. By accessing this website, you agree to be bound by the terms & conditions stated below. If you do not agree to the terms & conditions stated below, please do not access or use the Super Foto website. For the purpose of this document: "The Customer" shall mean any person, company or entity using or ordering through the Super Foto website, software, or product offerings and "Super Foto" shall mean Printers, the Company managing, developing and offering the service, its employees, directors and shareholders.

1. Acceptance of Orders  
All orders are accepted according to these terms and conditions. By using the Super Foto software or website you accept these terms and conditions. After processing an order, the uploaded file is only kept on the Super Foto server for a period of three (3) weeks. This is done in case there is a need to check a file in respect of any quality related issues. All our Gifts are printed using a sublimation process. Please note that Super Foto adds a branding page as the last page on all Hardcover photo book products. This page is not in the software but is added in at the production stage. Should a customer not want this page included it must be indicated under "Special Instructions" in the ordering process.

2. Copyright and Content  
All material and software belong to Super Foto. All rights are reserved worldwide. It is strictly prohibited to redistribute, copy or republish any of the material and software contained on the Super Foto website.

☐ I have read the disclaimer and accept the terms and conditions

 Please read and agree to the terms of our disclaimer.

Accepting the disclaimer and clicking the Start button will connect you to our online order form. You must be connected to the Internet to complete your order.
